Enhancing Recruiter's productivity & Candidate Happiness!

Retain Human Touch
Candidate experience is great when they hear the Recruiters and rich information

Reach-out simultaneously
Call as many candidates instantly or as per schedule. Auto-follow-thru by SMS and Emails

Speech AI Driven Output
Audio interviews transcribed in text for easy reference along with Communications score (PGVF Model)

Multiple Scenario Calling
Be it Cold call, Interview scheduling, Assessment calls, Confirmations, Survey calls etc

What does Reckrutt do?

Automate phone calling to candidates and save hours!

With Reckrutt you can create a personalized call and send it to multiple candidates simultaneously and find out who is interested within minutes!

Automate multiple calling scenarios in the hiring cycle

70% of hiring involves calling candidates at different stages. Reckrutt provides ready to use call templates right from Cold call to Interview scheduling.

Automate candidate follow-ups & reminders

Reckrutt automatically configures follow up calls & reminders using a big data based algorithm, when candidates don't answer or missed the call.

Automate personalized SMS & emails to candidates

Reckrutt automatically sends multiple personalized SMS and Emails based on the actions they take during the call

Listen to audio interviews or read transcripts

Reckrutt provides text of what the candidate has spoken along with their Audio Interviews to listen along with a Communications score downloadable in excel report

Automate multiple calling scenarios in the hiring cycle

70% of hiring involves calling candidates at different stages. Reckrutt provides ready to use call templates right from Cold call to Interview scheduling.

Listen to audio interviews or read transcripts

Reckrutt provides text of what the candidate has spoken along with their Audio Interviews to listen along with a Communications score downloadable in excel report

Healwood - UI

The screenshot shows the Healwood homepage. At the top, there's a navigation bar with links for 'Travel Health Planner', 'Destination', 'Before You Travel', 'Business', 'About', 'Contact', and 'Login'. A search bar is also present. The main header features the text 'Travel Health Made Easy' and 'Get a free personalised travel Health Assessment'. Below this is a search input field and a 'How it works?' button. To the right, there's a cartoon doctor character standing in front of a world map with various landmarks. Below the doctor are four service icons: 'Vaccines' (needle), 'Health Tips' (stethoscope), 'Travel Health Clinics' (briefcase), and 'Jet Lag Planner' (airplane). A section titled 'Featured Packages' displays three cards: 'Frequent Traveler' (person at a train station), 'Frequent Traveler' (person at a mountain peak), and 'Frequent Traveler' (two cups of tea). Below these are three 'Health Tips' cards: 'Traveling with Diabetes' (doctor and patient), 'Traveling with Diabetes' (person on a mountain), and 'Top tips for flying with you...' (person at a train station). A central call-to-action button says 'Read More Articles'. At the bottom, there are two 'ADS BANNER' slots.

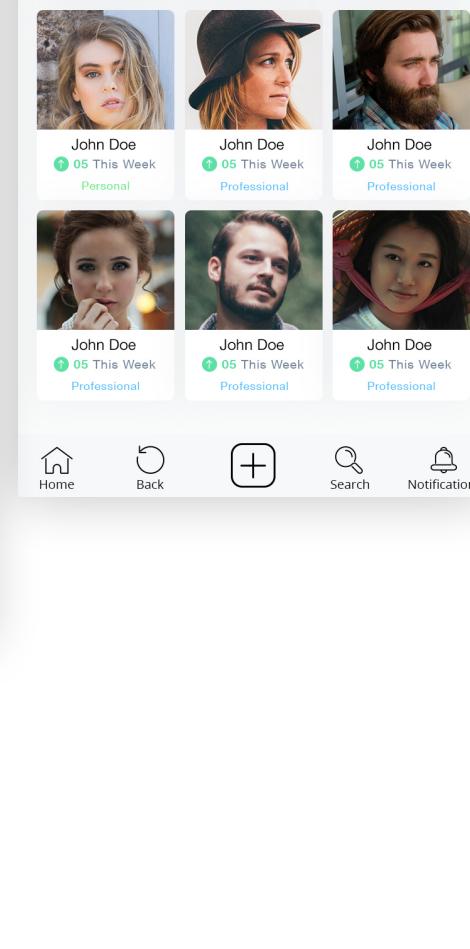

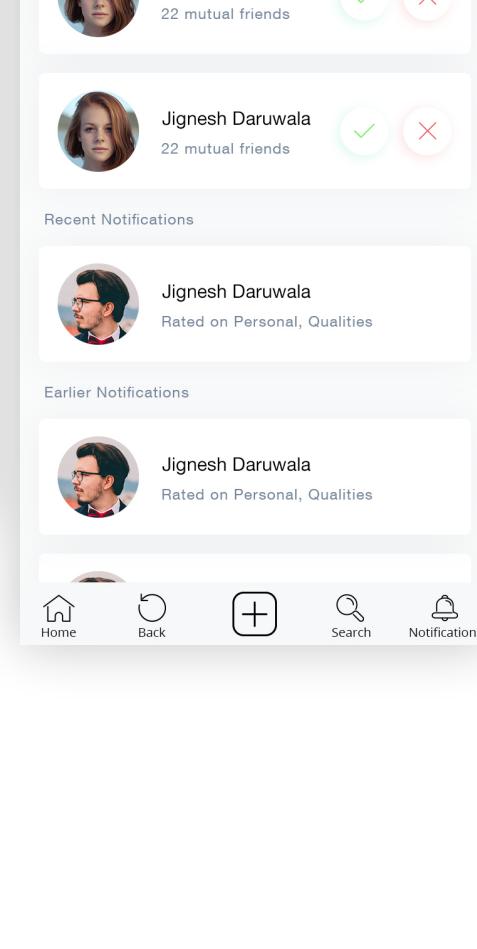

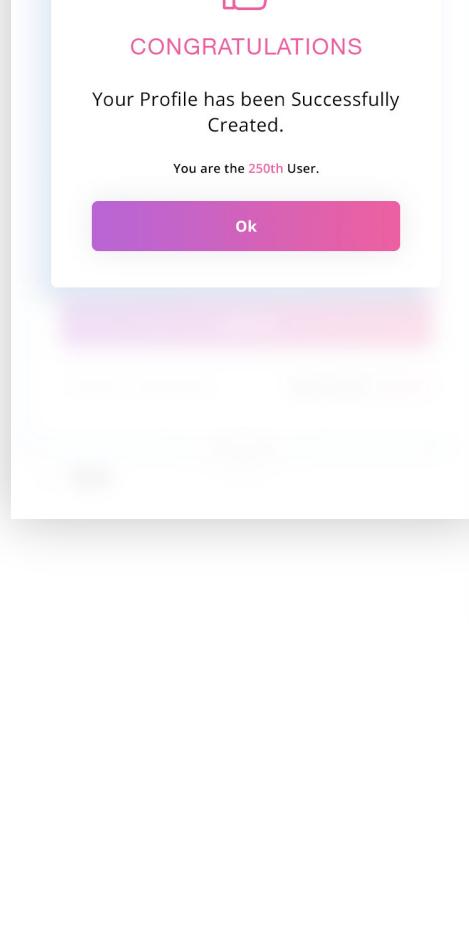

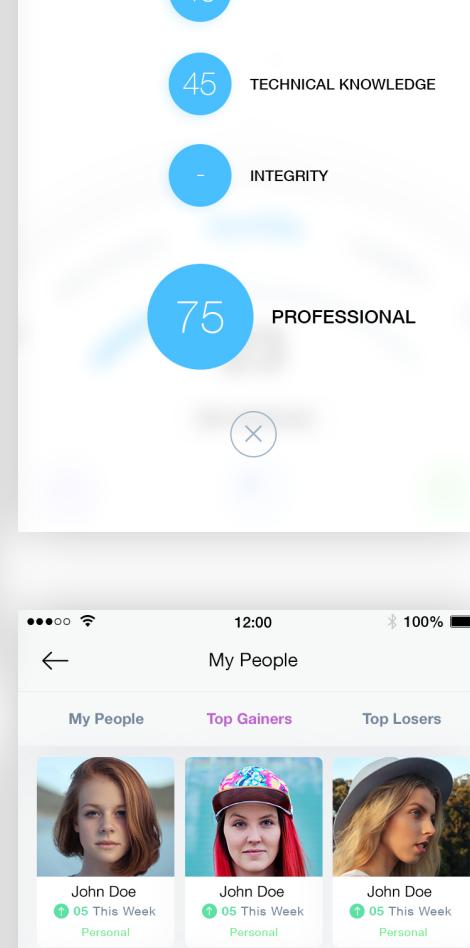

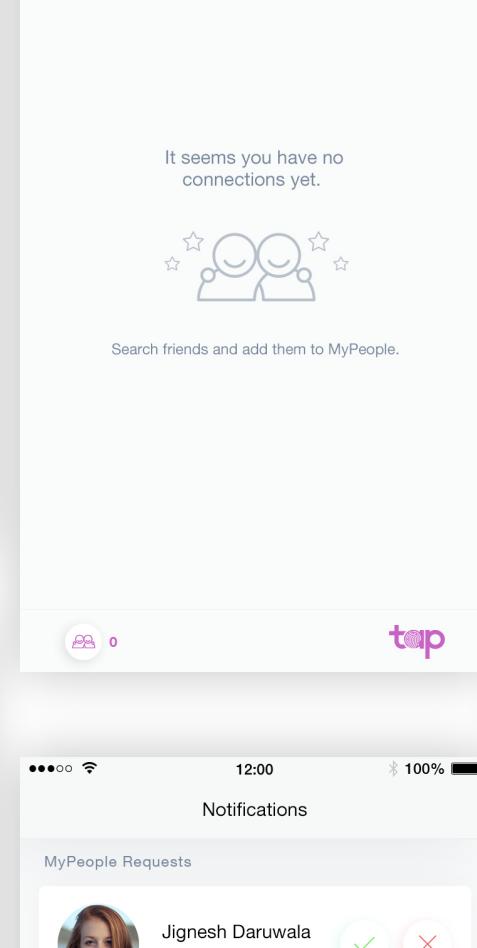

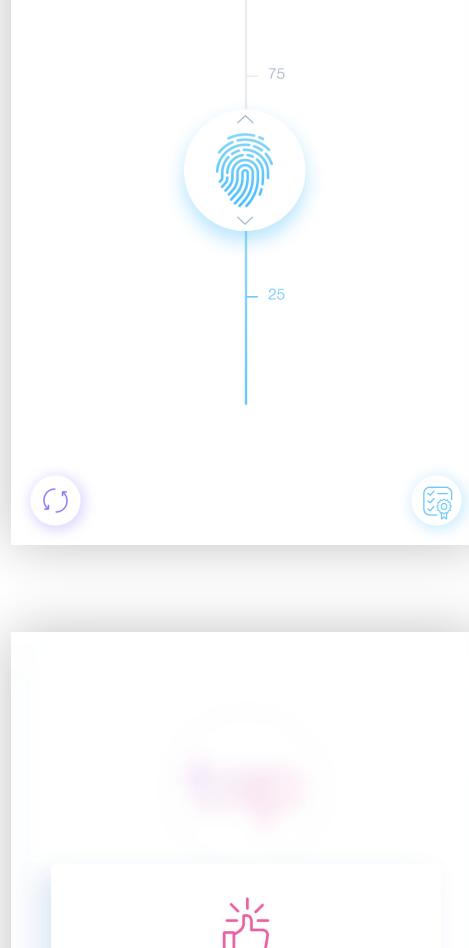

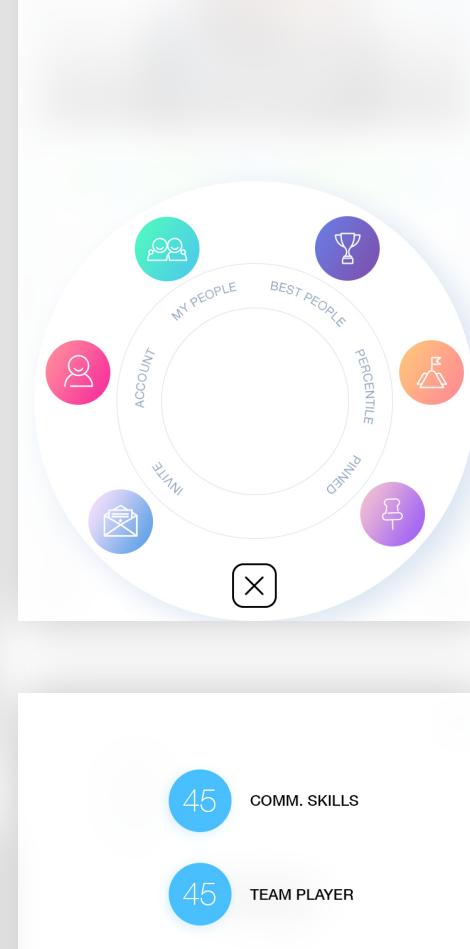

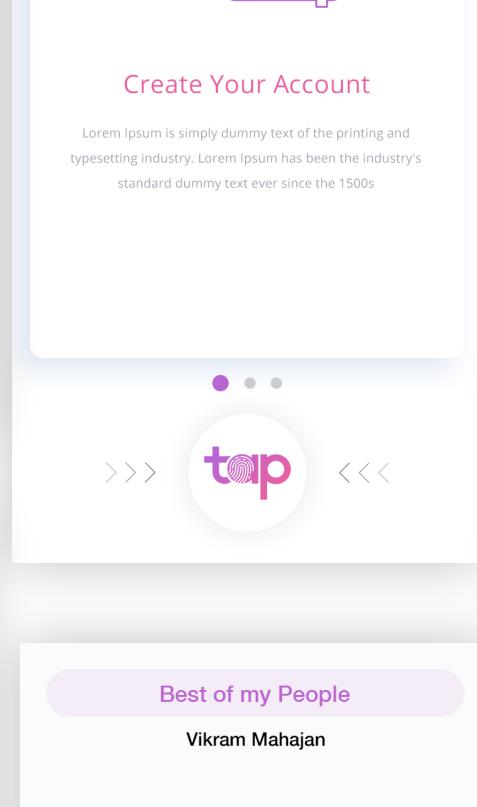

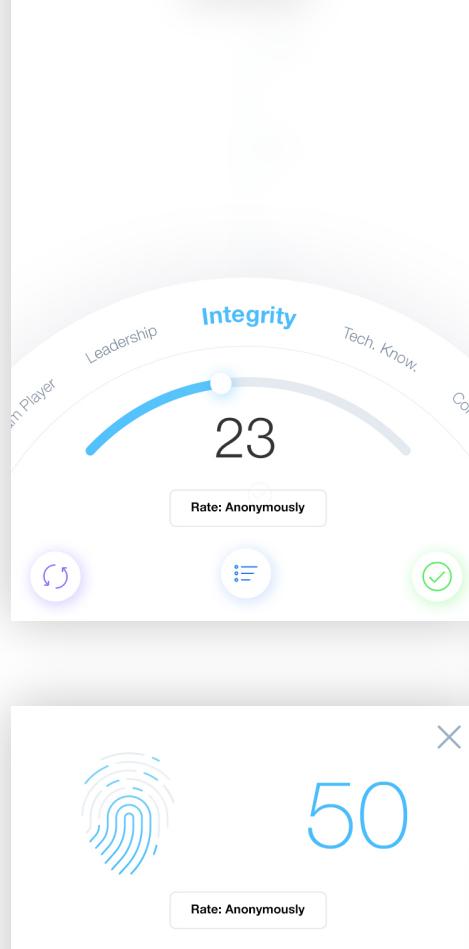

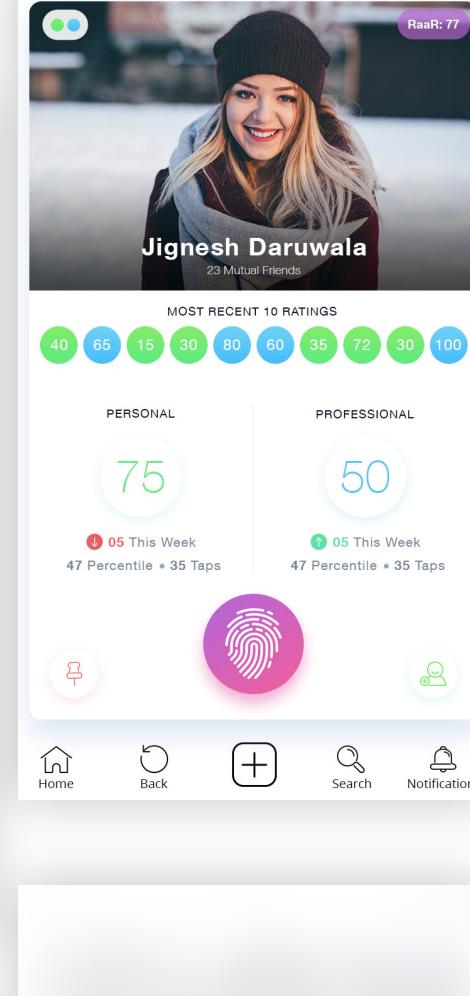

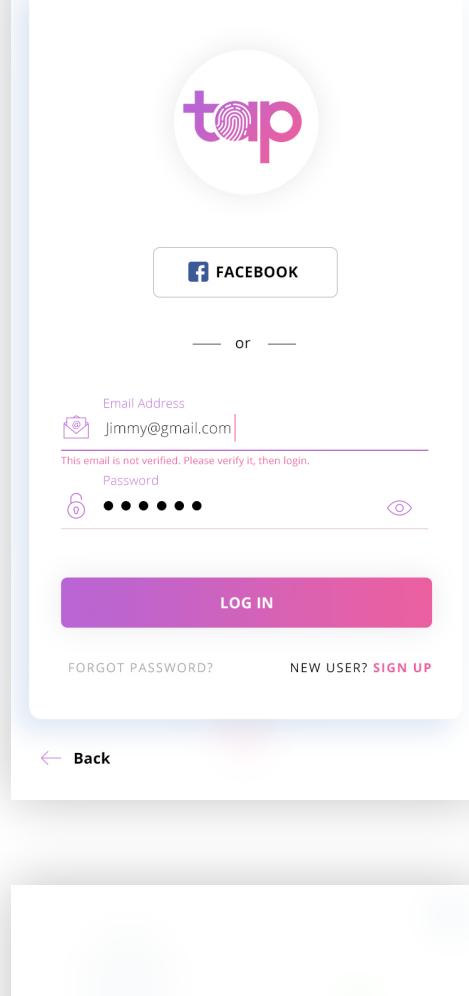

This screenshot shows the 'Travel Health' section. It features a large heading 'Travel Health' and a subtext '50% of travelers face health issues during their journey'. To the right is a cartoon illustration of a person with a backpack and a water bottle. Below the heading are four circular icons representing 'Altitude Illness' (mountain), 'Motion Sickness' (person with a queasy face), 'Infectious Diseases' (germs), and 'Jet Lag' (airplane). A call-to-action button says 'Don't ruin your trip due to falling ill!'. At the bottom, there's a section titled 'Why we created Healwood?' with a subtext about preventing health risks based on destination and purpose. There are four circular icons for 'Jet lag plan', 'Vaccination plan', 'Travel products', and 'Personalised checklist'.

This screenshot shows the 'How it works' section. It features a large heading 'How it works' and a subtext 'We provide personalised information and travel health services in one place'. To the right is a cartoon illustration of two doctors in a office. Below the heading are four circular icons representing 'Fill in details' (checklist), 'Get personalised assessment' (person with a clipboard), 'Receive Notifications' (phone with a message icon), and 'Happy Journey!' (doctor giving a thumbs up). A call-to-action button says 'Journey, health and personal preferences'.
